This is an opportunity for us to remember loved ones and neighbours who have passed away. Like Mary Magdalene on that first Easter Morning, we too will gather at the tombs of our loved ones in the hope of having an encounter with God that will instil in us a belief in the resurrection and new life gifted by Jesus.

The Newmarket-on-Fergus inaugural '*Sunrise Stroll in aid of Pieta*' committee would like to take this opportunity to thank everyone who came out in such force last weekend for the first event of its kind locally. Over three hundred and fifty people came together as a community in solidarity with those who have suffered loss through suicide and in support of those who suffer with their mental health. While the majority of participants had made their donations online, we received cash donations on the day to the amount of €608.20 which has since been donated to Pieta directly. We are grateful to the many people who made this event possible and would like to

say a sincere and heartfelt thank you to each of the following;

- to the wonderful volunteers along the route for ensuring the safety of all participants.
- to all the business and residents who took the time and made such a wonderful effort to light up our way and donated refreshments.
- to the fantastic group of teenagers from the Youth Club who stayed up all night laying hundreds of lights and collecting them all again.
- to Fintan and Scott who spent hours tirelessly clearing the route and creating some of our signs.
- to the local men's shed and local teachers for making some of the fabulous HOPE and LOVE signs.
- to Seán & Aileen from the Civil Defence for their guidance and reassuring presence.
- to Fr. Michael for launching the walk with such care and understanding through his meaningful words.
- to Mary Liddy and her team of musicians for their lovely music on our return.
- to Obair for providing the refreshments and the wonderful team who served us with a smile on our return.
- to the local clubs for coming together and forming a committee that put together an event with such thought and understanding of the sensitivities involved.

but most of all, THANK YOU; to everyone who got up and joined us for such an important sunrise. We journey together knowing that the darkest hour is always just before the dawn. Remember, you are never alone.

The Burren Chernobyl Project will be collecting in our parish before all masses this weekend on the 18th and 19th of May.
