### Parish Boxes of Envelopes

We are drawing to the close of the mammoth task of distributing the boxes of Parish Envelopes across the parish. It is hoped that we will get the remaining envelopes distributed in the coming week. If you have not registered to receive envelopes we encourage you to contact the Parish Office and we will ensure that you receive envelopes for the coming year. The benefit of you using the Envelope system is that it makes your money go so much further by the Parish being able to claim from Revenue's Charitable Rebate Scheme.

To our team of envelope distributors we extend a heartfelt thank you. Without your help this would be an impossible task so we say a *Mile Buiochas* to our team of distributors and to all who contribute so generously to towards the running of the Parish.

### Freedom to Live Fully, Until Death –providing compassionate care at the end of life

To address the sensitive issue of compassionate care at the end of life, and in response to the need to inform the faithful of Catholic teaching on this important life issue that affects so many families, the Bishops of Ireland have published the pastoral letter: *Freedom to Live Fully, Until Death Comes*. You are invited to read this letter and view the video *Through the Valley*, which offers personal testimonies by carers and people with terminal illness. The key message of both letter and video asserts that every person possesses inherent, infinite dignity that remains intact regardless of their circumstances. In this context, bishops strongly oppose the Oireachtas Committee's proposal to Government to legislate for assisted suicide, and call on support for healthcare workers who uphold the sanctity of life.
